## 3M Club In-Person/Group Activity Covid-19 Policy

3M Club In-Person/Group Activity Covid-19 Policy With recent government announcements of outdoor sporting events allowing fans back in the stands, we have had several activity & 3M Club Chapters reach out wondering if we would have access to tickets or can resume normal in person activities with clubs. We have posted our official guidance on our 3M Club of St. Paul's Yammer page but wanted to communicate directly with you as a member in the 3M Club.

In a vote taken at our board meeting, the 3M Club Board of Directors will not sponsor and support 3M Club St. Paul sports or activities to align with corporate meeting and events guidelines linked to return-to-work phases in 2021.

If you have any specific questions that pertains to your location, please reach out to the contacts below. As requirements are adjusted, we will absolutely communicate any changes. Official guidance & further information is below:

Contacts:

President: Mark Roach [mwroach@mmm.com](mailto:mwroach@mmm.com)  
Vice President: Charlee Frederixon [charleefrederixon@mmm.com](mailto:charleefrederixon@mmm.com)  
Vice President: Andrew Swanson [aswanson3@mmm.com](mailto:aswanson3@mmm.com)

3M Club In-Person/Group Activity COVID-19 Policy The 3M Club of the United States, Inc. (and its affiliated Chapters), while separate legal entities from 3M Corporation, continues to align our In-Person/Group Activity COVID-19 Policy to that of 3M's. Additional detail to the 3M Policy has been developed over the past 12 months. While we fully expect continual change in these details, which 3M Club of the United States Board will stay closer to, we need to emphasize 3M Club's decision to align with the 3M In-Person/Group Activity COVID-19 Policy. Please work with the 3M Club Board through individual decisions as they arise.

### **3M Club Policy for COVID-19 Event/Venue Changes Updates:**

**Broadway Across America update**, We are hoping to have an update in Late April regarding the Promo code for purchasing special seating for the shows, including Hamilton and Frozen. We know Broadway Across America is working with all the protocols to fulfill the Covid-19 Safe opening and will be unable to open to full capacity. With this said, postponements are still a possibility. Please watch Yammer for an update!

**In the event of a cancellation:** 3M Club will reach out to event ticket holders to communicate the process for refunds.

**In the event of postponement or suspension:** 3M Club wants to ensure that each current ticket holder has the right to attend the event in the future. Since the event is still planned to happen in the future, ownership of the ticket doesn't change until event is cancelled.

**Tickets for events and concerts will continue to be marketed and sold, as a way for members to reserve their option to attend ticketed events, just as they were prior to any COVID-19 impacts.**
